Conference by:

Global Presence With Local Commitment

This Call for Papers is looking for the most relevant contributions, innovative initiatives and solutions related to the sugar industry. All authors are cordially invited to submit their abstracts to CSI review committee (info@carbo-solutions.com) **on or before May 1, 2018**. Please see guidelines for Abstract.

CSI's 24th International Technical Sugar Conference scheduled from July 30 to 31, 2018 will be held at The Landmark Hotel, Bangkok, Thailand. This conference is an excellent venue for people to meet the most inspiring and advanced technologies in the sugar industries. CSI's past conferences has succeeded in becoming a referential global meeting point for leading engineering professionals and key decision makers from various sugar mills and refineries' initiatives that come together to show, learn, share and network.

The conference carries the theme, "Innovative technologies optimizing production". This conference is a leading global platform to present and kept abreast with the most innovative developments in the sugar industries. In 2018, the event will continue to bet on increasing the presence of organizations, exhibitors and sponsors from around the world to keep on generating synergies, sharing knowledge and discussion. This gives you an opportunity to participate as a speaker at the CSI's 24th International Technical Sugar Conference through this Call for Papers process.

Global Presence With Local Commitment
